ABOUT:

I am currently pursuing an Integrated MTech in Computer Science and Engineering at Vellore Institute of Technology, Vellore, in collaboration with Virtusa. As a third-year student, I am deeply passionate about solving real-world problems through innovative technology solutions. My primary interests lie in Java programming and Data Structures and Algorithms (DSA). My goal is to contribute to the advancement of upcoming technological innovations by providing efficient and effective solutions. I am eager to continually expand my knowledge and skills that can solve real world problems.

EDUCATION:

Vellore Institute of Technology:

M.Tech. (Integrated) - Computer Science and Engineering | 2022-2027(Expected)

Current CGPA:9.01

St Mary's Inter College:

Class 12: 90.8% (MAR 2021-JUN2022)-CBSE

Class 10: 97.6% (APR 2019- MAR 2020)- CBSE

SKILLS:

HTML : HTML for creating and structuring web content effectively.

CSS: CSS for designing and styling visually appealing web pages.

JAVA SCRIPT: JavaScript for adding interactivity and dynamic behavior to web applications.

DSA: DSA for efficient problem-solving and software development.

OBJECT ORIENTED PROGRAMMING: Object-Oriented Programming (OOP), utilizing encapsulation, inheritance, and polymorphism to create modular and scalable software solutions.

EXPERIENCE:

Currently working on a portfolio project.
